

ALTERNATE POWER INITIATIVE NEWS LETTER

September 2011

Message from the chairman

In this issue we feature photos of our 2011 **RACE FOR THE FUTURE**. August the 27th. was a beautiful sunny day and a large crowd gathered at Whiting's Chamber of Commerce to witness the running of our second annual race. Since a picture is worth 1000 words we will dispense with unnecessary words this month and hope that you will all join us, through this pictorial record, and cheer our contestants as they take up the challenge and race through the streets of the little city on the lake; Whiting, Indiana. Don't keep forever on the public road, going where others have gone. Leave the beaten track occasionally and dive into the woods. You will be certain to find something you have never seen before. It will be a little thing, but do not ignore it. Follow it up, explore all around it; one discovery will lead to another and before you know it you will have something worth thinking about.
